LIONS FACE HARD GAME WHEN PAMPA HARVESTERS COME HERE SATURDAY FOR DISTRICT FINAL

Visitors Are Holders of Two Class B Championship and Locals Must Win in Order To Contest in Semi-Finals for State Championship—Lions Enter Contest With Only Five Days Rest With Bourland Missing

In the Pampa Harvesters, holders of the Class B football title of two districts, the Vernon high school Lions, Class A champions of district 1 by virtue of their victory over Amarillo Standstons Monday, face one of the hardest games on their schedule at Fair Park Saturday afternoon at 3 o'clock.

An erroneous impression has grown up that the two classes in the interscholastic league afford an index to the strength of the teams. The two classes were formed as a matter of convenience in order to hasten the elimination process and decide the interscholastic winners at as early date as possible. It is quite possible that a Class B school would have a stronger team than the class A schools in the same section.

This fact, coupled with the season record of the Harvesters, justifies the statement that the Lions will face a real football team Saturday afternoon and one which will likely require all the skill and ingenuity of the local organization to beat. Pampa has always had the strongest team on the Plains with the exception of Amarillo, and even the fast-going Amarillo Sandies have time and again faced defeat at the hands of the Harvesters only to win out by a narrow margin on a break of the game.

Early in the present season, the Sandies defeated the Harvesters by a margin of only one touchdown which came as the result of a recovered fumble. The Harvesters will bring one of the best coached and heaviest teams the Lions have faced this year. The Lions are hoped to win, but the Harvesters are not a set-up by any sort of means. The hope has been upset before and it may be upset Saturday.

Saturday's game, coming only five days after Monday's grueling battle with the Amarillo Sandies, will find the Lions weaker than they have been on the eve of any important game this year. Bourland, who has always been a fine plunger and runner and safety man extraordinary, will be missing from the backfield formations Saturday. He suffered an injury to his left shoulder in Monday's game that will keep him on the sidelines. Captain Walker is nursing some sore spots as a result of Monday's tussle with the Sandies, but is expected to be in his shape. Withers and Little Reed are working out and hope to be able to play Saturday, though both are on the doubtful list.

Coaches Baggett and Wilmon are putting their men through light work this week in order to give them much-needed rest after their hard schedule of the past two weeks. They hope to win Saturday without taking undue risk with some of their stars who are being nursed in preparation for the probable all-West Texas classic encounter with the Cisco Lobos the week following Thanksgiving.

It had been hoped that Pampa could be brought here Thanksgiving, but the Harvesters wanted a home game on that date and had made tentative arrangements to that end. In order to get the Pampa game here it was necessary to play this week. Otherwise it would have been necessary to flip a coin to determine where the game would be played. Vernon could have insisted on a Turkey Day game. Pampa could have insisted on a flip of a coin. So the matter was compromised by

Dr. P. W. Horn Will Speak Tonight at New High Building

Dr. P. W. Horn, president of the Texas Technological College at Lubbock, will speak in the auditorium of the new high school building tonight. Dr. Horn is here in observance of National Education Week, and his address will be on educational matters.

Dr. Horn is a noted Texas educator and the public is invited to hear him. No admission fee will be charged.

bringing Pampa here Saturday, leaving Pampa free to play a home game Thanksgiving.

Local football fans will certainly see one of the best games of the season here Saturday afternoon. The Lions are not champions of all the Panhandle and Northwest Texas until they defeat the Harvesters. If the Harvesters upset the Lions and win Saturday, they and not the Lions will carry the colors of Northwest Texas and the Panhandle Plains into the state finals.

"Trash the Harvesters" is Vernon's battle cry this week.

DENVER SERVICE INTO DALLAS MAY START DECEMBER 1

Local Business Hails with Delight Announcement of Extension of Freight and Passenger Trains Beyond Present Terminus at Ft. Worth

Fort Worth & Denver passenger trains and package freight cars will be run out of Dallas beginning December 1, according to an announcement made in Wichita Falls this week. The present terminus of the Denver system is Fort Worth and all northbound passenger and through freight trains are made up there. Southbound trains terminate there.

Local people welcomed the announcement because running the trains through to Dallas will prove a great convenience to travelers to that and other points. Vernon business men who do most of their buying in Dallas also expressed gratification over the reported arrangement because shipments from Dallas will reach Vernon one and two days earlier than under the present arrangement.

Dallas is the banking and wholesale center for this section and the extension of the Denver passenger service to that city will prove a great convenience for people in this section and at the same time give the Dallas wholesale market a better chance to compete with other wholesale centers, especially in the Panhandle section, where splendid service from Oklahoma City, Wichita, Kansas, and Kansas City is provided by the Santa Fe and Rock Island railways.

The extension of train service to Dallas by the Denver is made possible through an arrangement to operate the trains over the Rock Island tracks from Fort Worth to Dallas. Many students of the railroad situation in the Southwest interpret the reported move of the Denver to be another step toward the introduction of through train service from Houston and Galveston by way of Dallas and the Fort Worth to Denver, Colorado and the T. & B. V. Denver and Colorado lines, all of which are owned by the Burlington System.

SWIM & SONS TO ENGAGE IN GROCERY BUSINESS

S. E. SWIM & Sons is the name of a new firm that will open up for business in Crowell about December 15. Mr. Swim recently bought out the store of Fox & Sons, grocery concern in the Ford county seat. The senior member of the firm will remain in Vernon. S. A. Swim of Haskell and W. E. Swim of Vernon will assume active management of the business.

W. M. Hazard Recovering.
W. M. Hazard, prominent farmer of West Vernon, who suffered a slight stroke of paralysis three weeks ago, was able to be in the city yesterday for the first time by the aid of crutches. He is very much improved and is enjoying meeting old friends after his enforced absence.

Youthful Chinese Ruler Stripped of Titles.

Hsuan Tung, the youthful Manchu Emperor of China, has been stripped of all his titles and is now plain "Mr. Pu Yi." He has been forced to give up all his titles and estates and his allowance has been reduced from \$4,000,000 annually to \$500,000. Factories will be established to give employment to the thousands of retainers he had kept in his palaces.

ANDERSON STORE OPENS TOMORROW

NEW FIRM IN C. T. SMITH'S HANDSOME BUILDING IS READY FOR BUSINESS

Anderson Store Company, situated at the corner of Texas and Main Streets will have the opening tomorrow, according to the announcement of the manager, W. H. Hamilton. The workmen are putting the finishing touches to the new C. T. Smith building now, in which the new firm will be housed and the sales force are busy placing the stock in shape for the anticipated rush, Saturday.

W. W. Anderson, head of the firm, stressed the fact that this is a home owned enterprise as he has moved his family here and will make Vernon his home, having disposed of his chain of stores elsewhere.

The splendid lighting facilities are an added asset to the business. On the mezzanine floor, women's ready-to-wear is displayed and a full line of dependable and beautiful merchandise is carried. Joe Hartkins, manager, is headed by Mrs. Joe Hartkins, formerly of Wichita Falls, sister of the owner of the store and experienced buyer of this line of goods.

On the lower floor will be found everything included in a big city department store.

The entrance to the basement is made near the big front doors on the left as the customer enters. A variety and notion department will be fitted up here about the first of the year, where bargains of every description will be shown. During the holidays, a Christmas store will be in the basement, where the youngsters of Vernon and older people too will congregate.

A tiled floor is being laid at the front entrance and on each side generous well lighted show windows have been arranged.

Two Vernon Men Get Offices in Childress Canton

Two Vernon men were honored in the election of officers last night in the Childress Canton No. 11, highest branch of Odd Fellowship. George A. Long was elected Lieutenant and V. C. Morris standard bearer. Other officers elected were T. H. Jameson, Chillicothe, captain; J. A. Shire, Chillicothe, ensign; Lieutenant Colonel O. D. Pogue, Chillicothe, clerk; J. A. McCaw, Chillicothe, accountant; C. S. Stevens, Chillicothe, sentinel; A. W. Witten, Chillicothe, picket; J. W. Tibbs, Electra, guard. The Canton has been moved from Childress to Chillicothe and all meetings are held there. Three candidates were initiated last night and a big banquet was served.

JOHN H. STEPHENS DIES SUDDENLY IN CALIFORNIA HOME

Body of Former Congressman Will Be Brought Here for Burial Which Will Take Place Sunday Afternoon—Lived Here 26 Years

John Hall Stephens, 76, former Vernon citizen and for twenty years Representative of the Thirtieth Texas district in Congress, died suddenly at his home in Monrovia, Calif., Tuesday morning. The body is being shipped to Vernon for burial and the funeral will take place here Sunday afternoon, services to be conducted at the Presbyterian Church by the pastor, Dr. E. L. Moore.

The announcement of Mr. Stephens' death came unexpectedly. He had been in good health and the evening before his death attended a picture show with his wife. He retired Monday night feeling well, but during the night his wife was awakened by his heavy breathing. She found him in an unconscious condition and summoned a doctor. He died about 5 o'clock without regaining consciousness.

Mr. Stephens was a pioneer resident of Vernon, moving here in 1890 from Montague County. He was born in Shelby County, Texas, moving to Mansfield, Tarrant County, where he received a common school education. As a young man he attended the law department of Lebanon University at Lebanon, Tenn., receiving his law degree from that institution.

He moved to Montague County to take up the practice of law and was twice elected State Senator. After moving to Vernon he continued the practice of law, forming a partnership with the late Judge S. P. Huff and Judge R. Walker Hall, the firm being known as Stephens, Huff & Hall. Each of the members of this firm afterwards gained state-wide prominence in politics and at the bar. Mr. Stephens was elected to Congress in 1896, holding the office until 1916 when he was defeated for re-election to his eleventh term.

As a member of Congress he served with distinction on the Indian Affairs Committee, succeeding to the chairmanship of the committee when the Democrats got control of the House in 1912. Due to his efforts the neighboring territory in Southwest Oklahoma was opened for settlement and Stephens County, Okla., of which Duncan is county seat, was named in his honor.

After retiring from Congress in March 1917, he moved from Vernon to his late home in Monrovia, Calif. He had been in poor health for some time, but he had begun to feel better. For the past few years, however, his condition had shown considerable improvement.

Mr. Stephens was married twice. The first time to Miss Annie Christman. Nine children were born to the first marriage. The first Mrs. Stephens died in 1906 and was buried here. Mr. Stephens married Mrs. Lizette Bristo of Portland, Ore., in Washington in 1914.

Besides his widow, Mr. Stephens is survived by four children, Mrs. S. Wiggins Smith of Oklahoma City, Mrs. Clara White of Vernon, John A. Stephens of San Francisco, and Fred C. Stephens of Wapato, Washington. The body is expected to arrive in Vernon from California tomorrow night.

MISS ENICE FRITH BECOMES BRIDE OF FORT WORTH MAN

T. W. McWaters and Miss Enice Frith were married by T. J. Griffiths, justice of the peace, in South west Vernon Saturday afternoon. The bride is a daughter of Mr. and Mrs. W. H. Frith. They will make their home in Fort Worth.

FARGO MAN GETS 50 BALES ON 40 ACRES

Dee Key, living 10 miles northeast of Vernon, near Fargo, reports that he is gathering fifty bales of cotton on forty acres. Mr. Key is almost through gathering his crop and has ginned seventy-two bales.

WIDOW OF PRESIDENT HARDING IS DEAD.

MRS. WARREN G. HARDING.

Mrs. Harding passes away this morning in Marion, Ohio, after weeks of suffering.

TWO CITIES WANT WEST TEXAS GAME

INVITATIONS RECEIVED FROM SWEETWATER AND ABILENE FOR FOOTBALL CLASSIC

Two West Texas cities are anxious to get the title game of the interscholastic league for the championship of all West Texas, it became known this week when telegrams were received by The Record from the Abilene Chamber of Commerce and the Sweetwater Reporter asking for the proposed Cisco-Vernon game.

Last Monday when Vernon defeated Amarillo, Vernon and Cisco remained the two undefeated class A teams in West Texas, and if Vernon eliminates Pampa class B champions of districts 1 and 2 next Saturday, Vernon and Cisco will likely be ordered to play to determine which shall go into the state semi-finals.

Incidentally the high school football championship of West Texas. Many cities are expected to put in bids for the game. The action of Abilene and Sweetwater may be taken as the forerunner of many such invitations. Fort Worth is also expected to be an applicant for the game.

The invitations already received have been turned over to the athletic council of the high school and will receive consideration if the locals defeat Pampa Saturday. Local school authorities and other backers of the Vernon team, however, do not look with favor on proposals to play the big West Texas game on neutral ground. In all probability they will stand out for a game on the home field of one of the competing teams, believing that the people of the home town of one are entitled to see the game without making a long journey.

It is believed that under the interscholastic league rules Vernon will be entitled to the game. Last year's elimination game between districts represented by Cisco and Vernon was played by Wichita Falls and Abilene at the latter city. Since the winner from this district last year went to Abilene, the league rules would seem to require that the game be played in Vernon this year.

Pay Cemetery Dues.
The members of the Cemetery Association are asking that all owing dues, please pay up at once. Donations will be thankfully received. While so much money is pouring into Vernon, they are asking that some of it be diverted into the treasury of the Association.

Elliott Pie Supper.

Members of the Methodist church at Elliott will have a pie supper Saturday night, November 22. The proceeds to go toward improvements for the church. The public is invited.

EXPRESS OFFICE IS BUSY PLACE

400 PER CENT INCREASE IN BUSINESS SINCE LAST YEAR—VERNON RANKS HIGH

According to figures of F. H. Graves, relief express agent here, the express business has increased over 400 per cent since this time last year. Six men have been employed, where three were employed before the expansion in business. A third wagon has been put on. It is not an uncommon sight to see a wagon and three to four trailers going up Main street with the driver of the express wagon walking and driving the horse.

Vernon is in the zone which includes all towns west from and including Fort Worth. In the volume of business report for last month, Vernon ranked fifth. Fort Worth, Wichita Falls, Abilene and Lubbock ranked in the order named. The express agent is of the opinion that Vernon will be third when the business is checked up the first of the month.

Vernon's oil wells and a \$6,000,000 cotton crop have caused an expansion of business along all lines as well as the express business, is stated by the heads of all business concerns here.

City's Traffic Cop Is On Job Here Night And Day

Oren Brewer has been made traffic cop for the county, and from the manner in which offenders are being brought in to pay fines for speeding and failure to observe other traffic laws the young man is decidedly on the job. The situation became so serious in the past few days when as many as three to six accidents per day was reported on the highways owing to poor lights or no lights, that a number of Vernon citizens went down in their pockets and paid the first month's salary of the traffic cop. He was deputized at once and started out. Several people have been injured and cars demolished by automobiles running without lights or poor lights and parked by the side of the road without lights. Speedsters too are coming in for their just dues now, and traffic laws are being observed, owing to the fact that a traffic cop is on the job.

MISS ANNIE JOBE AND EARL SPOON MARRY

Miss Annie Jobe, daughter of Mr. and Mrs. M. L. Jobe of the Rayland community, and Earl Spoon of Wood county, were married by Judge T. J. Griffiths, in his office in the court house, Saturday. The couple will make their home in Rayland.

TWO OUTSIDE TESTS EXPECTED TO COME IN FOR GOOD PRODUCTION TO MAKE EXTENSIONS OF PROVEN AREA

Oil Men Watching Developments Closely and Outcome Will Have Important Bearing on Future Operations in South Vernon Field—Wildcat Tests Making Good Progress in Several Directions From Center of Pool

With a water shortage checking up operations in the heart of the South Vernon pool during the week, interest centered in several outside wells. The McCamey-Sheerin No. 1 Richardson, a quarter of a mile south of the South Vernon Oil Company's big well on section 83, block 14, Houston and Texas Central Railway Company surveys, hit a good sand at 1963 feet. After bailing out, however, it was decided to follow other operators and drill for the South Vernon sand about 60 feet lower.

Another outside well, the Prince No. 1 Zipperle, a quarter of a mile north of the South Vernon big well and about the same distance east of the Bridwell & Heydrick No. 1 Dill, got a seven-foot sand at 1957, another at 1967 and is being drilled deeper for the South Vernon sand which is expected at 2033. If the latter sand is found a liner will be set to get production from both sands, a policy which is being generally adopted by operators in the field since the South Vernon well was improved by going down for the deeper sand.

A strong gas pressure was hit during the week in the Texas-Oklahoma No. 1, Bowers, west of the present proven area. The gas was found in the 1000-foot level, corresponding with the gas sands in other wells, together with some oil. The pressure blew oil, sand and water over the derrick for some time before it could be shut off. This is an outside well and operators regard the gas pressure as indicating that it is on the same structure as the wells inside the pool.

The Prince and McCamey-Sheerin are regarded as certain to be wells with every indication that the Texas-Oklahoma will be a well. If these three come in as are expected, the proven territory of the South Vernon pool will be more than doubled in extent.

Wildcatting is claiming a lot of attention among members of the oil fraternity. A recently started wildcat is the Little Drillers company, an organization of local men not heretofore interested in South Vernon operations, who have started drilling with a rotary rig on the Youngblood farm in section 77, block 14. This location is about two and a half miles north the city of Vernon than the South Vernon pool. Wildcatting is under way in practically every direction from the pool and the field is due to be defined pretty well within the next sixty to ninety days by these operations.

The northern part of Wilbarger County is due to get some play during the next few months on account of the wildcat being drilled by R. N. Hamilton and associates on a location on the C. M. Kester farm in section 7, block 11, Houston and Texas Central Railway Company surveys. This well is located near the town of Odell in the northwest corner of Odell County. This well is now about 900 feet.

Two new locations were announced during the week in the South Vernon area. Staley & Winn of Wichita Falls have located to offset the Barkley & Meadows well on the east half of section 83. The American Refining Company location in section 100, offsetting the Mulligan No. 1, Waggoner, is a derrick. This is an outside location.

The water problem became acute this week when the supply in the Waggoner reservoir at the Gray Back crossing on Beaver Creek was exhausted. A larger number of rigs had to shut down until connection could be made with another reservoir on the Waggoner ranch. The water line of A. P. Peck from Paradise creek continued to operate and the rigs connected with this source of supply were able to continue operations. A second water line to the field from Paradise creek is being laid. The Waggoner line was connected with the new reservoir Thursday and rigs were again put in operation. A big rain that would fill tanks and the reservoirs on Beaver and Paradise creeks would be the most welcome news to operators at the present time. Many rigs are ready to drill into the pay and must slow up operations on account of water shortage.

Bridwell-Heydrick No. 3, Stephens, drilling at 1700 feet. Their No. 4, Stephens, is drilling at 1000 and

OVER 50,000 BALES GINNED TO DATE

RAINS SLOW UP COTTON PICKING ALL OVER COUNTRY, WILL REACH 60,000 BALE MARK

The total bales produced in Wilbarger county ginned in this and adjoining counties, up to November 21, is 50,269 bales. Recent rains in this county slowed down cotton picking this week. If the weather is favorable for the gathering of cotton in the next two or three weeks the gin receipts for the county will pass the 60,000-bale mark.

Harry Carey Rides New Kind Steed at Pictorium Saturday

"Ride 'Em Cowboy!" When you hear such an expression you expect to see a wildly bucking broncho with a whooping cowpuncher valiantly attempting to stick in the saddle.

But "Ride 'Em Cowboy" held a new significance for Harry Carey during the filming of "Roaring Rails," his new Hunt Stromberg production, which is to be featured at the Pictorium Theater Saturday. In this instance his steed was a lunging locomotive, as the picture deals with railroad life in the Far West and Carey portrays the role of daring engineer.

The Western star admits that the role gave him a new thrill. Nevertheless he insists that he much prefers the back of a bucking broncho to the cab of a smoothly-running iron horse.

"I've ridden many an ornery horse in my time," Carey asserts, "but at least a horse is human. I defy anyone to credit a locomotive with the least human quality. They just won't listen to reason a-tall!"

However, director Tom Forman and the rest of the cast of "Roaring Rails" vouch for the fact that Carey really did make a capable engineer and insist that if he should film a few more railroad stories he might even apply for a driver's license, or whatever you have to have to be a full-fledged engineer.

Appearing in the cast which supports Carey in "Roaring Rails" are such favorites as Edith Roberts, Wallace MacDonald, Little Frankie Darro, Frank Hagney, Duke R. Lee and Charles Belcher.

Tom Forman, who directed "The Virginian" and other screen successes, is responsible for the direction of "Roaring Rails," while Sol Polito is credited with the unusually fine camera work.

WILDCAT NEWS.

Miss Clark and Miss Payne spent the week-end in Vernon visiting friends and relatives.

Miss Ruth Halaway went to the ball game at Amarillo Armistice Day.

Mrs. Woodwell of Oklahoma was a guest of Mrs. W. D. Nunn last week.

Rufus Kitchens and Miss Mattie May Poff were married Saturday evening in Vernon by Rev. F. T. Johnson, Methodist minister. A number of their friends witnessed the ceremony. On Sunday his parents entertained with a dinner in their honor. Guests present other than relatives were his Sunday school class and Mr. and Mrs. Lee Bryant and family of Vernon, Mrs. Clark of Wichita Falls and Mrs. Kitchens's parents, Mr. and Mrs. Poff. The young people will make their home with his parents.

Mr. and Mrs. I. G. Luttrell and Mr. and Mrs. Buford Luttrell and little son, went down to the oil field last Thursday and went over to Beaver creek and killed ten ducks and a coyote.

Miss Ruth and Boyd Miller have gone to Levery, Okla., on a visit.

Mr. and Mrs. Louis Howell entertained the young people with a party Saturday night.

Miss Beatrice Clark spent Tuesday night with her mother, Mrs. Clark.

Mrs. L. P. Clark of Wichita Falls is visiting her sister, Mrs. John Kitchens this week.

Mr. Wayne and Miss Floy Kirkpatrick of Farmers' Valley, visited Miss Blyn Nunn Sunday evening.

Mr. and Mrs. John Patton visited her sister, Miss Willie Colbert in Vernon Sunday.

Mrs. G. W. Hildebrand and Miss Maul, are still at Dallas with Mrs. Patton, who was to be operated on the first of this week.

YOUTH DIES AFTER LONG SIEGE OF TYPHOID

William Vaughn, 17, died Monday at his home two miles south of Vernon on the M. G. Neathery farm, after a three month's siege of typhoid fever. Funeral services were conducted at East View cemetery Tuesday afternoon at 4:30 o'clock by Rev. R. B. Cox, Baptist minister. He is survived by his parents, Mr. and Mrs. J. H. Vaughn and several brothers and sisters.

Miss Sherlie Johnson, 12, of Harrold, is recovering from an operation at one of the local hospitals.

We have some bargains in folding beds. Lisenbee Furniture Co. 85-tfe

Ed Ray of Burk Burnett, who has been visiting his sister, Mrs. Joe B. White, has returned home.

NEW STORE IN SHIVE BUILDING ON MAIN

H. N. Bird of Corsicana opened up a dry goods store on North Main street in the Shive building, and is carrying a complete line of dry goods, women and men's ready-to-wear and notions. He is enjoying a nice business.

Joe Burns, driller on the Richardson well in the South Vernon oil field, has gone to Corpus Christi to take charge of a drilling crew.

We can furnish you any kind of ammunition you want. Lisenbee Furniture Co. 85-tfe

DR. BUTTE QUILTS THE RACE.

Dr. George C. Butte, Republican nominee for Governor, has at last conceded the election of Mrs. Miriam A. Ferguson, his Democratic opponent. The Ferguson majority has reached 122,000 on practically complete tabulation of the vote. That the Ferguson majority would reach this figure was apparent to all observers of the election, it seems, except Dr. Butte, who insisted that fuller returns would reduce rather than increase the Ferguson majority of about 40,000 shown on election night and might possibly give him a lead.

Intimations came from Dr. Butte and some few of his advisers that evidence was being gathered that tended to show that the election of Mrs. Ferguson, if she had been elected, was the result of fraud. Apparently Dr. Butte was the only person who seriously considered a contest in the courts. He at once lowered himself in the estimation of the people of Texas. Texas people believe in fair play, and the man or the organization that seeks to win an election in the courthouse rather than at the ballot box does not grow in popularity because of such action.

Two years ago the opposition to Senator Earle B. Mayfield staged a court fight that contributed nothing worth while to the politics of Texas. This year the court action against Mrs. Ferguson had the merit of settling questions with reference to the eligibility of women to hold office in Texas. Beyond this, however, little was accomplished.

Following the election Dr. Butte might have shown himself a graceful loser by conceding his defeat without awaiting the complete tabulation of the vote. If he entertained any hope of election after the first 200,000 votes had been tabulated, he was possessed of a smaller degree of discernment than he was credited with before the election.

But the Republican leaders made a wise decision when they decided that no court contest would be instituted. They made a contribution to a movement to heal the wounds left by the stormy campaigns of this year. Mrs. Ferguson has been elected Governor and all patriotic Texans owe it to their state to support her administration and to refrain from any course of action that would embarrass a constitutionally elected officer. There has been too much of suspicion and distrust in Texas the past few years. Pre-election animosities should be buried after the ballots are counted.

The Republicans now have an opportunity to strengthen their party organization in Texas. The vote received by Dr. Butte is the most impressive ever accorded a Republican nominee in this state. He and his supporters have ample justification for a feeling of pride, although much of their support was of a negative character in that it was anti-Ferguson rather than pro-Butte. The Re-

H. W. NORWOOD, Sec.

publican leaders are to be congratulated upon their decision to acquiesce in the results already announced. In doing so they did their party and the state a service, even though the admission came tridly, and none too gracefully so far as Dr. Butte is concerned.

Moscow Artists To Be Here Monday on Music Club Course

Back in 1919, the town of Karachaw, in the frozen north of Russia, was a Bolshevik outpost. Fifty Russians who had sealed their own death warrants by not espousing the Communist cause, fleeing from the red terror, were dragged from a railroad train and thrown into prison.

Among them was Mme. Vera Eichenova Sadovskaya, who is to appear here on the evening of November 24, at High School Auditorium, with the Moscow Artists. She was the talented wife of a surgeon general in Kerensky's third army. During the Czarist regime, she was a dramatic soprano in the Imperial Russian Opera. She was condemned to die. A Bolshevik officer aided her to escape from prison the day before she was to be taken before the firing line.

Mme. Sadovskaya was in London fulfilling a concert engagement when the world war broke. She hastened back to see her husband off to the front. Mme. volunteered as a nurse. Her work in the trenches won three medals for bravery, including the Cross of St. George.

Other talented artists appearing Monday night are Yasha Garey, Russian tenor and composer, Ivan Karoff, Russian baritone, and Van-lea Skolska, violinist.

Single adult tickets for the concert are \$1.00 each, children 50c.

DISTRICT AGENT MEETS WITH CLUB GIRLS

Miss Mamie Lee Hayden of College Station, district home demonstration agent and Miss Emma Gunter, local home demonstration agent, met with the East Vernon club girls, Thursday morning from 10:30 to 12 o'clock. A very interesting program was carried out. Miss Gunter gave a cookie demonstration. Sewing instructions for the next meeting were handed out. Plans for the coming club year were discussed. Officers elected for the coming year were: Ruth Hall, president; Cecil Koontz, vice president; Hazel Murray, secretary-treasurer; Fay Koontz, reporter. The club meets the first and third Thursdays in each month. The club extends an invitation to any one interested to attend the meeting.

EDUCATION WEEK OVER ALL NATION

**PRESIDENT COOLIDGE PRO-
CLAIMS NOVEMBER 17 TO 23
AS EDUCATION WEEK**

By the President of the United States—A Proclamation:

Education for the children of all the people, extending from the primary grades through the university, constitutes America's noblest contribution to civilization. No child or youth in the United States need be deprived of the benefits of education suited to his age and degree of achievement.

Nevertheless, either through negligence or because of unfortunate circumstances which might be controlled by sufficient effort, large numbers of children do not receive the full preparation for their life's work to which they are justly entitled. Many have reached maturity without even the rudiments of education.

This condition demands the solicitude of all patriotic citizens. It involves not only the persons immediately concerned and the communities in which they live, but the Nation itself, for the welfare of the country depends upon the character and the intelligence of those who cast the ballots.

Education has come to be nearer to the hearts of the American people than any other single public interest. The plan of maintaining educational institutions from public funds did not originally prevail in most of the States, and even where it was in use it was but feebly developed in the early days of the Republic. That plan did not arise spontaneously in the minds of all citizens. It was only when the suggestion came forcefully, convincingly, and repeatedly from a few pioneers that popular interest was fully aroused.

Vigorous campaigns were required not only to establish the idea of public education, but also for its maintenance, and for its important extensions.

Campaigns of national scope in behalf of education have been conducted annually since 1920, and they have been increasingly effective with each succeeding year. They have concentrated upon the needs of education, and the cumulative impetus of mass action has been peculiarly beneficial. It is clearly in the interest of popular education, and consequently of the country, but these campaigns be continued with vigor.

In the last few years we have placed much emphasis on vocational

training. It is necessary for men to know the practical side of life and be able to earn a living. We want to have masters of our material resources. But it is also necessary to have a broad and liberal culture that will enable men to think and know how to live after they have earned a living. An educated fool is a sorry spectacle, but he is not nearly so dangerous to society as a rich fool. We want neither in this country. We want the educated to know how to work and the rich to know how to think.

Now, therefore, I, Calvin Coolidge, President of the United States of America, do designate November 17th to 23rd, inclusive, as American Education Week. I urge that the citizens do all they can to advance the interests of education. It is especially recommended that the Governors of the States issue proclamations emphasizing the services rendered by their educational institutions, and calling upon their people to observe the occasion by appropriate action. Further, I urge that all civil officers whose duties relate to education, and all persons connected with the profession of teaching, exert themselves to diffuse information concerning the condition and needs of the schools and to enhance appreciation of the value of education. Patriotic, civic, religious, social, and other organizations could contribute by conducting meetings and demonstrations to promote the desire for knowledge. Ministers of religion and members of the press are asked to exercise the means within their power to increase enthusiasm for educational advancement and to stimulate zeal for enlightened citizenship.

In witness whereof, I have hereunto set my hand and caused the seal of the United States to be affixed.

Done in the City of Washington on this fourteenth day of November in the year of our Lord One Thousand Nine Hundred and Twenty-four and of the Independence of the United States the One Hundred and Forty-ninth.

(Signed) CALVIN COOLIDGE,
By the President:
CHARLES E. HUGHES,
Secretary of State.

(Seal)

Hill Crest To Entertain.

Members of the Hill Crest club will entertain with a party Monday night at their club home west of the city. Hosts and hostesses for the evening will be Mr. and Mrs. O. A. Brunson, Mr. and Mrs. Marvin C. Culbertson, Dr. and Mrs. W. R. Moore and Mr. and Mrs. Roy E. Martin.

JUDGE GRIFFITHS MARRY TWO COUPLES THIS WEEK

Judge T. J. Griffiths is still busy marrying couples. On Wednesday he united in marriage Mrs. W. L. Blankenship and Mrs. Nettie Gertrude Hancock of Gainesville. They will make their home there. On Thursday, D. L. Blackwell and Mrs. Fannie Chambers of Vernon were married by the Judge. Both marriages were performed in the office of Judge Griffiths at the court house.

Elks Thanksgiving Dance.

Members of the local Elks lodge are making big preparations for their annual Thanksgiving dance which will take place at their hall on North Main street. The Doc Ross orchestra has been engaged for the occasion, which insures good music, and invitations have been issued for a number of guests. Several couples from neighboring towns will attend.

District Agent Here.

Miss Mamie Lee Hayden of College Station, district demonstration agent, is here on an official visit to Miss Emma Gunter, county demonstration agent. Miss Gunter has planned several visits to rural clubs while Miss Hayden is here.

How Doctors Treat Colds and the Flu

To break up a cold over night or to cut short an attack of gripe, influenza or sore throat, physicians and druggists are now recommending Calotabs, the nauseous Calomel tablet, that is purified from dangerous and sickening effects. Those who have tried say that it acts like magic, by far more effective and certain than the old style calomel, heretofore recommended by physicians.

One or two Calotabs at bed time with a swallow of water,—that's all. No salts, no nausea nor the slightest interference with eating, work or pleasure. Next morning your cold has vanished and your system feels refreshed and purified. Calotabs are sold only in original sealed packages, price ten cents for the vest-pocket size; thirty-five cents for the large family package. Recommended and guaranteed by druggists. Your money back if you are not delighted. —Adv.

DAD has always wanted an open car. He likes freedom. He wants speed—and flexibility. He loves to open 'er up on a smooth country road and feel the wind whiz past his face.

But Mother . . . she wants comfort and protection—she's thinking of that rainy day when the youngsters have to go to school.

And here at last is a new-type car to meet this old-time family problem.

It's a glorious—joyous—free, airy open car when you want it.

Then when it storms it may be changed to a comfortable, weather-tight enclosed car with complete protection from wind and rain.

Thirty seconds is all it takes—simply lower the roller side enclosures, without even leaving your seat. You've never seen anything like it before.

The Duplex body is framed and

shaped in steel. Upper and lower sections are integral. Thus its construction is substantial and its beauty lasting.

It banishes once and for all the trouble of attaching the old-type curtains—makeshift at best.

No more hurried efforts hunting for the right curtain while the storm beats in.

No more exposure, through holes torn in them, while trying to obtain, for the emergency, the protection given by a closed car.

To the man unwilling to sacrifice the thrill of open car motoring—to the woman who wants closed car protection right at her finger tips—this car offers a wonderful new adventure—it marks a new era in fine car possession.

In justice to yourself—see the new Duplex now. Only Studebaker makes it.

LIFTON EMMETT BURIED TUESDAY

MYSTERY NOT SOLVED AS TO
CAUSE OF SUICIDE—SER-
VICES HELD IN EAST VIEW

Followed by a long procession of relatives and friends, the body of Lifton Emmett, 20, of Deans, who committed suicide by shooting himself through the heart with a .32 automatic Monday morning, was brought to East View cemetery where interment took place Tuesday afternoon at 2:30 o'clock.

The services were conducted by Rev. F. D. Pearson, former pastor of the Fargo Baptist church, now pastor of a church at Amarillo. Rev. Pearson was en route to the State Baptist Convention at Dallas Monday when he received a message announcing the death of the young man.

The mystery has not been solved as to why he took his own life. In a note addressed to his mother, presumably written a short time before the fatal shot was fired, he stated that he was in serious trouble and that the cause would be divulged later.

L. G. Hawkins, potentate of Mast Shrine Temple at Wichita Falls, left Wednesday for Amarillo to attend the ceremonial of Khiva Temple and meet James E. Chandler of Kansas City, Imperial potentate of the Shrine of North America, who was in Amarillo yesterday and is attending the Maskat ceremonial in Wichita Falls today. The Imperial Potentate is making an inspection trip to the various temples in the country.

Mr. Hawkins was a member of Mr. Chandler's party which passed through Vernon last night on a special private car placed at the disposal of the Imperial Potentate by the Fort Worth & Denver railway. From Wichita Falls Mr. Chandler went to Fort Worth and Dallas to visit with the Shrine bodies there.

A number of local Shriners are attending the ceremonial session in Wichita Falls today.

Card of Thanks.

We wish to express to our kind friends and neighbors our most sincere thanks for the aid and sympathy extended us in the accidental death of our beloved son, George. Especially do we thank Rev. E. L. Moore and Mr. Dunbar. May such friends be yours in your hour of need is our humble prayer.

MR. AND MRS. C. J. BRIGHT.

Bob Oliver of Los Angeles, Calif., arrived this week and has accepted a position with his brother, C. W. Oliver, in the hardware and harness store. Mr. Oliver will work in the hardware department.

Notice.

In Re Guardianship of the estate of B. C. Smith, a person of unsound mind, No. 458, in County Court of Willbarger County, Texas.

Notice is hereby given that I, John M. Miller, guardian of the estate of B. C. Smith, a person of unsound mind, have this day filed my application in the above entitled and numbered cause for an order of the County Judge of Willbarger County, Texas, authorizing me as guardian of the estate of said ward, to make an oil and gas lease upon such terms as the court may order and direct, of the following described real estate belonging to estate of said ward, to-wit:

The South 90 acres of the North 180 acres of Section 36, in Block 12, of the H. & T. C. Ry. Co. Survey, in Willbarger County, Texas. Said application will be heard by the County Judge at the courthouse in the City of Vernon, Texas, on the 29th day of November, A. D. 1924.

JOHN M. MILLER,

Guardian of the estate of B. C. Smith, a person of unsound mind. Itc

Night Coughing— How to Stop It

Night coughing which, through loss of valuable sleep, often makes you feel utterly worn-out and weak during the day, and by quickly weakening the system lays you open to the most dangerous infections, can now be promptly checked by a very simple treatment. People who have hardly been able to rest on account of coughing spells have found that they can sleep the whole night through undisturbed after the very first trial.

The treatment is based on a remarkable prescription known as Dr. King's New Discovery. You simply take a teaspoonful at night before retiring and hold it in your throat for 15 or 20 seconds before swallowing it. The prescription has a double action. It not only soothes and breaks the spasm and irritation, but it quickly loosens and removes the phlegm and congestion which is the real cause of the cough. The result is that you usually sleep as soundly as a babe the very first night, and the cough goes to rest very soon time.

The prescription contains no opiates or harmful drugs. Excellent for children as well as grown-ups. For coughs, chest colds, hoarseness, raw throat, spasmodic croup, bronchitis, laryngitis and bronchial asthma. At all good druggists. Ask for

Special Service To Be Held for Pastor of Methodist Church

The Rev. C. A. Bickley, recently named pastor of the First Methodist Church here, arrived this week with his family from Corsicana where he has been presiding elder and Sunday will begin his active ministry with the Vernon church.

Sunday morning Rev. Bickley will preach on the subject of "The Treachery of the Empty Hand." Sunday night a union service, participated in by pastors and congregations of other churches of the city, will be held at the Methodist church. Rev. Bickley's subject for this service will be "The Sins of America."

Special musical programs are being arranged for the Sunday services and a cordial invitation is extended to the public to attend the services.

Gets Good Yield.

M. S. Swinburn will gather fifty bales of cotton this year. Mr. Swinburn is a long time resident of the county, and lives near Tolbert. He is making this yield from a field of seventy acres.

BIG CARNIVAL AND BOX SUPPER AT LOCKETT TONIGHT

A big carnival, box supper and program by the students of the Lockett school is being staged tonight at their school auditorium. The students have decorated the building and arranged booths around the walls like a real carnival. A fortune telling booth with the celebrated Gypsy Choke in charge, and even a fish pond for the little folks has been provided. The proceeds from the supper and the race for votes for the most popular young lad will go toward purchase of school supplies. The program is given by the students to make the evening more interesting. Hot chocolate, and hot coffee will be sold. It is the intention of the teachers, pupils and patrons of the school to make their school second to none in the county. The same faculty was retained from last year and all are working hard for the advancement of the school.

Buick Continues its Leadership

For the seventh consecutive year Buick has first choice of space at the National Automobile Shows. This signal honor is awarded annually by the National Automobile Chamber of Commerce to the manufacturer-member having the largest volume of business for the preceding twelve months.

In winning and in maintaining this enviable position year after year, Buick has demonstrated conclusively that the true value of any automobile is reflected in the consistency with which the public buys it.

Since the introduction of the 1925 Buick models, public patronage has increased to an even greater degree—

A tribute to the Buick engineering skill and manufacturing ability that have provided newer and better Buick cars without departing in any way from the fundamentals of power, economy and dependability for which all Buicks have been famous.

Gained Ten Pounds

Mrs. George S. Hunter, of Columbus, Ga., says she suffered severely with female troubles.

"I had to go to bed and stay sometimes two weeks at a time," says Mrs. Hunter. "I could not work. My . . . were irregular and I got very thin. I went from 126 pounds down to less than 100. My mother had been a user of

CARDUI
The Woman's Tonic

and she knew what a good medicine it was for this trouble, so she told me to get some and take it. I sent to the store after it and before I had taken the first bottle up I began to improve. My side hurt less and I began to mend in health. I took four bottles in all during the last ten months. Cardui acted as a fine tonic. . . I am well now. I have gained ten pounds and am still gaining."

Take Cardui. EX 161

PASTOR RETURNS FROM MISSIONARY MEETING

Rev. L. P. Kopy, pastor of the Central Christian church has returned from a meeting of the United Christian Missionary Societies at Wichita Falls. The district embraces 32 counties and a good representation was present for the all-day meeting held Wednesday. At this time about 500 of these meetings are being held in all parts of the United States. Rev. P. R. Huckleberry, of Crowell, district evangelist, also attended the meeting, and passed through here yesterday on his return.

FIRE DESTROYS GARAGE WEDNESDAY NOON

Fire practically destroyed the garage of T. J. Bridges who lives in east Vernon on the corner of Peace and Violet street, Wednesday about noon. The roof of the garage was burned off and the sides of the building were damaged considerably. The fire destroyed about \$25.00 worth of cotton that was stored in the building.

Waggoner Estate Versus Sigler Oil Company on Trial

The suit of W. T. Waggoner Estate versus Sigler Oil Company for cancellation of oil lease, is on trial today in District Court. Some weeks ago, a jury found for both plaintiff and defendant in questions submitted. The case is being argued today before Judge Jas. V. Leak. Three motions are being considered. Joe Barwise of Fort Worth, attorney for the Waggoner estate and Humphrey & King, Wichita Falls firm, attorneys for the Sigler Company, are here for the trial.

The case of Zipperle versus

LADIES!

All the beauty creams on earth can't give you an active liver. Keep your stomach sweet and your liver active. You will be repaid with sparkling eyes—clear, smooth, healthy skin—and a breath with the odor of Spring.

Chamberlain's Tablets

will do it. Get 50 of these pink tablets for 25 cts. Take two to-night. Sold everywhere
